

SAIL World 2011

You are cordially invited to SAIL World, an exciting invitation only exhibition, networking event, and day of panel discussions. SAIL World will be hosted by SAIL Venture Partners, a leading cleantech investment management firm headquartered in Southern California. SAIL's comprehensive portfolio currently includes fourteen leading companies spanning the cleantech universe in the areas of energy storage and efficiency, electrical efficiency, green innovation and water purification.

Overview

- Participate in panel discussions with corporate executives and investors about the leading trends in clean technology in Louisiana, America and around the world
- Attend a major press event unveiling exciting prospects for economic development in Louisiana through clean technology
- Take advantage of opportunities to network with regional and industry leaders
- Discuss the future of impact investing

Date April 7th 2011 *RSVP*
