

Xtreme Power Named One of the Fastest-Growing Private Companies for the Second Year in a Row

Ranked 15th on Inc. Magazine's 500|5000 List for 2012

Austin, Texas – August 22, 2012 – Xtreme Power, a world leader in real-time power management and energy storage solutions, earned the 15th spot on *Inc. Magazine's* 500|5000 list of the fastest-growing private companies in the United States in 2012 -- the company's second year in a row making the prestigious list.

Xtreme Power secured a Top 20 showing with a three-year growth rate of 8423 percent and 2011 revenues of \$22.2 million. Last year, Xtreme Power ranked 704th with a three-year growth rate of 450 percent.

"Our strong growth is a testament to our unmatched team of professionals and our commitment to providing our customers with energy storage solutions that deliver real value. Customers are choosing Xtreme Power to leverage the strength of our XAct™ system control platform and its unique ability to digitally manipulate power in real time. This proprietary technology allows renewable energy developers to more cost effectively integrate onto the grid and access additional revenue streams, while providing commercial customers significant savings in peak rates as well as improved power quality," said Alan Gotcher, chief executive officer of Xtreme Power.
