Newport Beach, CA ([PRWEB](#)) June 07, 2017 -- London: [SAIL Venture Partners, LLC](#) has been awarded its fifth international recognition this year: Best Cleantech Private Equity Firm - New York by [Wealth and Finance International’s](#) Wealth and Money Management Awards 2017.

Now in its fourth consecutive year, the 2017 [Wealth & Money Management Awards](#) are dedicated to rewarding and recognizing the hard work and dedication of everyone working in the private wealth management business, from including asset managers, financial planners, HNWI services and specialist banking providers.

Other award titles SAIL Capital and CEO Walter Schindler have received in 2017 include [Most Outstanding Cleantech Venture Firm](#), [Most Innovative Sustainable Investment Firm](#), and [Most Innovative Venture Capitalist](#).

SAIL Capital has been a pioneer in impact investing since the early 2000’s. Their unique investment strategy seeks to identify high return opportunities at relatively low risk while having a positive, sustainable impact in the energy, water, and power industries.

This year, SAIL made an innovative decision to create “[SAIL Global Advisors LLC](#)” as a new investment advisory business housed in a new legal entity that allows clients to benefit from SAIL’s expertise in both law and corporate finance and their team’s knowledge of diverse areas of sustainable investment. At the same time, by listening to their new clients, they’ve developed a broader understanding of investment ideas and large projects and learned to think of energy and other global resources in the context of the total spectrum of efficiency in all global resources. The new business has already attracted significant private clients.
